NOTE: If a driver does not race one of the events their tire rotation schedule changes to keep it in sync with the others.

This keeps from gaining advantage by only racing the nights scheduled to receive 2 or more tires.

Practice Tires with comparable laps are allowed to replace damaged race tires with approval from Tech Director.

RENTAL Cars with multiple drivers are assigned tires bought for that car during the race season.

Drivers racing 3 or more races in a rental car who build or buy a new car take those tires with them to the new car.

Track does not bank tires for drivers. Must purchase race tires the night you race or you lose the opportunity to buy the tire.

Drivers are not allowed to purchase race tires for a night they do not race.
